It was painful, but I found one hack and one pixel-perfect way of importing PDFs in Figma

Figma has taken the design world by storm. According to the UX Tools 2020 Design survey, Figma was the most used tool in 2020 for UI Design, User Flows, Prototyping, Handoffs, Design Systems and Versioning. While Figma is a well-loved product, in my opinion, it is missing a few key features that make it a bit of a pain to use. Without ending spending hours on fixing import issues afterwards.

If you think this is a small inconvenience, you've never had a client who only sent assets in PDF format. You are lucky, my friend. Many people have asked for this feature and Figma claims they are working on it.

Since we have no idea when Figma will launch a PDF to Figma importer, I set out to figure out how to hack together a workaround. It was painful. I ran into many dead ends, but in the end, I found one hack and one proper solution (I found the proper

Annotations

Figma was the most used tool in 2020 for UI Design

Very promising technology!

I found one hack and one proper solution

There is a simpler solution and something much more rigorous that can lead to better outcomes.

para 2

line 4

The New World Order (NWO) is a conspiracy theory which hypothesizes a secretly emerging totalitarian world government.

The common theme in conspiracy theories about a New World Order is that

- A secretive power elite with a globalist agenda is conspiring to eventually rule the world through
- They want to use an authoritarian one-world government
- They will launch an all-encompassing propaganda

line 2

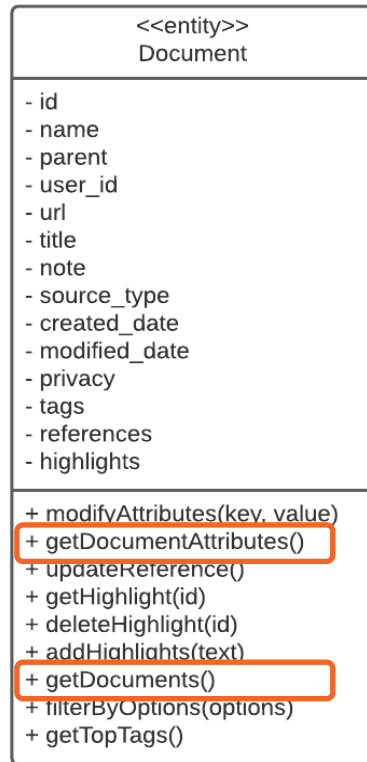

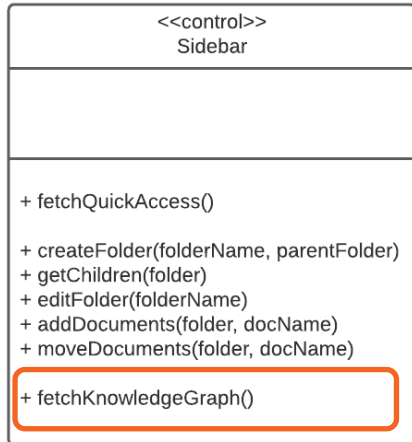

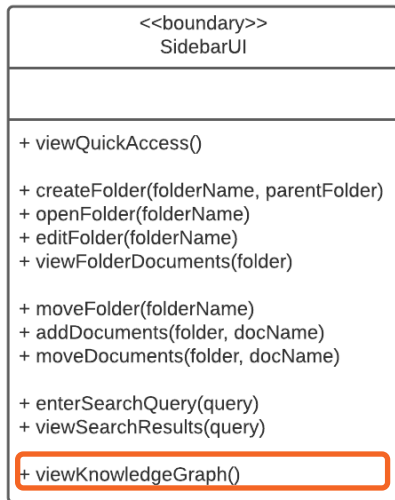

The New World Order (NWO) is a conspiracy theory which hypothesizes a secretly emerging totalitarian world government.

The common theme in conspiracy theories about a New World Order is that a secretive power elite with a globalist agenda is conspiring to eventually rule the world through an authoritarian one-world government—which will replace sovereign nation-states—and an all-encompassing propaganda whose ideology hails the establishment of the New World Order as the culmination of history's progress
